WELCOME

Tucked beneath Perilla Fare on Milwaukee Ave, Noriko is an intimate underground handroll bar from the Michelin Bib Gourmand recognized Perilla team. Every handroll is crafted to order and passed straight from the chef's hands to yours, the nori still fresh and crisp.

For private events, the entire room is reserved for your party. The evening is built around an omakase, a chef-led progression of passed bites, starters and courses featuring fish from Tokyo's Toyosu Market, Hokkaido scallop and uni, bluefin tuna and Miyazaki A5 wagyu.

Our omakase experience is thoughtfully crafted to provide a lively, interactive and memorable experience for you and your guests.
